

CHETPHYSIOCON 2021

Proceedings of 1st International Level E-Physiotherapy Conference

School of Physiotherapy
Chettinad Academy
of Research and Education
(Deemed to be University)

ABOUT THE CONFERENCE

This 1st E international conference CHETPHYSIOCON 2021 on Functional Based Physiotherapy Intervention held in the Chettinad School of Physiotherapy, CARE, Chennai. This conference provided an international forum to present, discuss and exchange innovative ideas and recent developments in the field of Women's Health, Geriatric health, Pediatric Health and Hand injury.

This conference proceeding, which are well balanced in content, manageable in terms of number of contributions and create an adequate discussion space for trendy topics. On this occasion 2 distinguished International and 2 distinguished National plenary speakers had delivered their outstanding research works in field of Women's Health, Geriatric health, Pediatric Health and Hand injury. There were 10 Oral presentations and 10 poster presentations by participants which brought great opportunity to share their recent research works knowledge among each other graciously.

Efforts taken by peer reviewers contributed to improve their quality of papers provided constructive critical comments; improvements and corrections to the authors are gratefully appreciated. We are very grateful to the International/National advisory committee, Session chairs, student volunteers and Administrative assistants from institution who selflessly contributed to the success of this conference.

Also, we are thankful to all the authors who submitted papers, because of which the conference became a story of success. It was their quality of presentations and their passion to communicate with the other participants that really made this conference a great success.

Last but not least, we are thankful to the Management, Chettinad Academy of Research and Education (CARE). Their support was not only the strength but also an inspiration for organizers.
